DIRECTORATE OF INTELLIGENCE PRESENTATION

THOMAS CLANCY, AUTHOR

1. The Office of Scientific and Weapons Research, in cooperation with the Office of Central Reference, is sponsoring the appearance of author Thomas Clancy. Mr. Clancy's novel, The Hunt for Red October, has been a best seller for several months and will soon be made into a movie. He will discuss ways he found effective in writing The Hunt for Red October and his forthcoming novel, Red Storm Rising, for presenting complex technical matters to the lay reader.

2. This presentation will be held [REDACTED] at the Headquarters [REDACTED]. All employees are invited to attend. Admission will be on a first-come, first-served basis. Television coverage will be available in 1E74 and 1E78 Headquarters Building and over the cable grid system on channel 13.

DISTRIBUTION: ALL EMPLOYEES (1-6)

N.B. ALL EMPLOYEES (1-6) signifies that one copy of an issuance is available for circulation for each six employees within a specific component. [REDACTED]
